DP5 Back Pack

Lightweight backpack vacuum cleaner with double support

STRENGTHS

- › Super lightweight (4,2 kg)
- › Transpirable padded back support
- › Belt with accessories bag
- › Padded shoulder straps
- › Aluminium telescopic wand
- › Handy side switch
- › Power outlet for electrified hose
- › Low noise level
- › 5-level filtration with HEPA filter (optional)
- › Energy consumption: class "A"

TECHNICAL DATA

DP5 Back Pack

Input power (W)	700
Water lift mm/H ₂ O (in/ H ₂ O)	2300 (90)
Air volume lt/sec (CFM)	49 (103.8)
Motor protection	Termo/amp.
Two ply paper bag (lt.)	3,5
Washable TNT bag and Micropore	Optional
Exhaust Microfilter 3M Filtrete	Standard
Hepa filter H11	Optional
Sound power (db)	77
Padded double support	back and shoulders
Aluminum telescopic wand	Standard
3 tools on the belt bag	Standard
Total weight Kg (lb)	4,2
Cord lenght mt. (ft.)	10 (41)
Energy consumption (Class)	A
Power nozzle PB12e	Optional
Brush motor (W)	150
Cogged drive belt	Standard
Electronic overload control	Standard
Center convergent bristles brush (RPM)	5000
Base width mm (in)	300 (12)
Brush width (in)	270 (10.6)

1. 1. The machine is designed with plug and power outlet for the electrified hose and electronic Lindhaus power nozzle.
2. 2. The extraordinary filtration system can be implemented with the Hepa filter for sanitary environments. For the suction of fine dust like lime, the paper filter bag can be replaced with a micropore one. The front grill deflects the airflow so as not to raise dust or documents from the desks.
3. 3. The standard range of accessories is complete and includes: flex hose with swivel connector and handle with suction control, aluminium telescopic wand, patented M28R universal nozzle, crevice tool, round dusting brush and upholstery tool with bristles.
